📍 Hamburg, Germany

Bachelor's student in Information Engineering at HAW Hamburg with experience in data analysis, SQL, Python, and business reporting through remote analytics internships. Interested in Data Analytics and Business Intelligence roles with a focus on practical problem-solving and data-driven insights.

Experience

Data Analytics, Visualization & Project Management Intern <i>Excelerate</i>	<i>Dubai, UAE (Remote)</i> <i>Nov 2025 – Jan 2026</i>
---	--

- Collaborated with international teams on analytics, visualization, and project coordination tasks in a remote environment
- Cleaned, analyzed, and visualized datasets using Python, Excel, SQL, and business reporting techniques
- Built dashboards, charts, and presentations to communicate insights and support decision-making
- Contributed to project planning, risk analysis, budgeting, and team coordination for global experiential projects
- Presented analytical findings and project outcomes to supervisors and team members during weekly review sessions
- Recognized as a **Star Performer** for strong communication, teamwork, and quality of work

Data Analytics Intern <i>Elevvo</i>	<i>Cairo, Egypt (Remote)</i> <i>Oct 2025 – Dec 2025</i>
---	--

- Performed exploratory data analysis and data cleaning using Python, Pandas, and Excel on real-world datasets
- Built sales dashboards and visual reports using Excel pivot tables, charts, and business metrics
- Wrote SQL queries with JOINS and aggregations to analyze sales and customer data
- Worked on customer segmentation, reporting, and business insight generation projects
- Applied data visualization techniques using Matplotlib and Seaborn for trend and pattern analysis

Education

HAW Hamburg – University of Applied Sciences <i>B.Sc. Information Engineering</i>	<i>Hamburg, Germany</i> <i>Oct 2024 – Jul 2028</i> <i>(Expected)</i>
---	--

- Relevant Coursework: Software Construction, Databases, Electronics, Digital Circuits, Signals and Systems

Technical Skills

Programming: Python, SQL, C, Java

Data Analysis & Visualization: Pandas, Matplotlib, Seaborn, Excel, Exploratory Data Analysis (EDA), Data Cleaning

Tools & Platforms: PostgreSQL, GitHub, Jupyter Notebook, PowerPoint

Achievements & Leadership

-
- Awarded the **Deutschlandstipendium Scholarship 2025** by the Federal Ministry of Education and Research (BMBF), Germany, for academic performance and social engagement
 - Achieved **1st Place** in the Learning & Study Methods presentation course at HAW Hamburg (Summer Semester 2025)
 - Volunteered in the **weBuddy Programme** at HAW Hamburg during Summer Semester 2025 and Winter Semester 2025/2026, supporting international students with onboarding and university integration
